OBJET : LETTRE DE RÉFÉRENCE - M. Jean-Claude Rivoalan

Ceci est pour attester que j'ai connu M. Jean-Claude Rivoalan en 2016, alors que je dirigeais un projet financé par l'UE « Projet d'amélioration de la sûreté de l'aviation en Afrique, à titre d'Expert principal sûreté et Chef de mission tout au long de la période de mise en œuvre s'étalant du 15 janvier 2013 au 14 janvier 2017 ».

Jean-Claude en tant que représentant d'un fournisseur privé de sûreté de l'aviation (SAMADA) a participé à plusieurs cours AVSEC dispensés dans le cadre du projet, dont notamment le cours de contrôle qualité AVSEC et le cours sur la supervision nationale de la sûreté aéroportuaire où il a pu démontrer une très bonne connaissance, un très bon relationnel et une bonne capacité à travailler tant individuellement qu'en équipe et ce, lors des activités de formation en cours d'emploi.

Faisant suite à mes recommandations, il a entrepris et réussi le programme de formation AVSEC PMC (Aviation Security Professional Manager), programme délivré par Concordia University Montréal sous couvert de l'OACI comme le montre le lien internet OACI ci-dessous

<https://www.icao.int/Security/isd/avsecpmc/Lists/ICAO%20AVSEC%20Professional%20Managers/AllItems.aspx>

De plus, en sus de sa discipline académique, il a également fait preuve de compétences en leadership et mentorat, faisant de lui une personne très respectée par toute la classe.

Depuis nous entretenons des échanges professionnels réguliers productifs et à titre amical. Je n'hésite pas à le recommander pour tout poste de direction relatif à la sûreté.

Très cordialement.

À qui de droit,

Réf: M. Jean-Claude Rivoalan

C'est avec grand Plaisir que je recommande M » Jean-Claude Rivoalan pour un poste de direction dans les fonctions liées à l'aviation et particulièrement en gestion de la sûreté aérienne .

J'ai eu M. Rivoalan dans mes classes pour le cours de gestion professionnelle de la sûreté aérienne, menant à la plus haute accréditation en sûreté de l'aviation et dispensée conjointement par l'Organisation de l'Aviation Civile Internationale et la John Molson School of Business, Université Concordia de Montréal, Canada.

Il a très bien réussi le programme et ses résultats étaient à la mesure de son désir de poursuivre son développement personnel, ce qui se reflète également dans son curriculum vitae. Il a terminé le programme avec succès et obtenu l'accréditation AVSEC-PMC, comme indiqué sur le site de l'OACI

(<https://www.icao.int/Security/isd/avsecpmc/Lists/ICAO%20AVSEC%20Professional%20Managers/AllItems.aspx>)

Jean-Claude est très éloquent et il a bien contribué à l'environnement 'Apprentissage de toute la classe. Discipliné dans sa démarche académique, il cherche de nouvelles solutions et n'hésite pas à aborder les questions plus difficiles. Il peut voir la situation dans son ensemble et est capable de structurer les solutions pour mieux s'adapter à l'environnement problématique.

Ses devoirs et autres travaux étaient de bonne qualité en termes de forme, de structure, de résumé des options et de processus analytique, conduisant à de véritables recommandations. Sa contribution aux exercices de groupe a été positive et aidé non seulement les membres de son groupe mais aussi toute la classe dans son ensemble à obtenir de meilleurs résultats. En plus de sa discipline académique, il a également fait preuve de compétences en leadership et mentorat, faisant de lui une personne très respectée par toute la classe.

Je n'hésite pas à le recommander pour tout poste de direction.

Très cordialement,

To whom this may concern,

Ref.: Mr. Jean-Claude Rivoalan

It is with great pleasure that I recommend Mr. Jean-Claude Rivoalan for a management position in aviation related functions, and particularly in Airport Management.

I have had Mr. Rivoalan in my classes for the Aviation Security Professional Management Course, leading to the highest accreditation in Aviation Security and delivered jointly by the International Civil Aviation Organization and the John Molson School of Business, Concordia University of Montreal, Canada.

He has done very well in the program and his results were commensurate to his desire to pursue self development which is also reflected in his résumé. He has successfully completed the programme and obtained AVSEC-PMC accreditation, as shown on the ICAO website. (<https://www.icao.int/Security/isd/avsecpmc/Lists/ICAO%20AVSEC%20Professional%20Managers/AllItems.aspx>)

Jean-Claude is very articulate and he has contributed well to the learning environment of the whole class. Challenging in his study approach, he looks for new solutions and does not shy away from difficult issues. He can see the broader picture and is able to structure the solutions to best fit the problem environment.

His essays and other assignments were of good quality in terms of the form, the structure, the summary of options and the analytical process leading to recommendations.

His contribution toward group exercises was positive and helped not only his group but also the class as a whole achieve higher results. Along with his academic discipline, he also displayed leadership skills making him a well respected individual by the whole class.

I do not hesitate to recommend him for any management position.

Sincerely,

Jean-Marc Trottier, jmtrottier@aviationstrategies.aero

OGHL may fulfil its own obligations under this Agreement or for administrative convenience may procure that another entity in the Group fulfils them. Any performance of OGHL's obligations by another Group Company or by personnel from another Group Company shall be carried out on behalf of OGHL, and shall not imply any relationship between the Operative and that Group Company.
- 3.3 The Operative shall abide by and be sensitive to all the rules of conduct and behaviour in the Country of Deployment and not undertake any activities that would damage the reputation of OGHL, any Group Company or its Client.
- 3.4 The Operative undertakes that he is aware that Olive has a whistle-blowing policy and undertakes to report any concerns as soon as practical after becoming aware of such concerns.
- 3.5 The Operative shall take all reasonable steps to prevent any damage to the goodwill and reputations of OGHL and shall not act in a manner which will subject OGHL to any investigation into a criminal offence or litigation which may be likely to materially damage the goodwill or reputation of OGHL and/or its Client. The Operative is liable for any damage, cost, expense, (including all legal expenses) and any direct or consequential loss (including loss of income, profit, bargain, saving, goodwill, economic loss or otherwise) which OGHL may suffer due to any such act which is beyond the scope of this Agreement or otherwise contrary to OGHL's instructions.
- 3.6 In addition to the obligations set out in clause 14, the Operative shall adhere to and abide by any and all international and local laws and OGHL's internal procedures and policies whilst working on behalf of OGHL, including the International Code of Conduct for Private Security Service Providers (2010). The Operative shall review and be bound by certain policies including but not limited to: OGHL's Code of Conduct and Disciplinary Policy, Standard Operating Procedures, Health and Safety Policy, Alcohol, Drug and Steroid Policy and Olive Life-Saving Rules. Violation of any provisions of the above mentioned policies or amendments thereto shall be a material breach of this Agreement. - 3.7 The Operative shall give all information and assistance as OGHL may reasonably require in connection with the provision of the Services.

- 3.9 The Operative will provide the Services in the Country(s) of Deployment specified in the Statement of Work. However, the Operative may be required to provide Services at such other locations (including other countries) and in a variety of related functions on such occasions as deemed necessary by OGHL. Such other locations shall be deemed to be included within the Statement of Work under the heading "Country of Deployment". The Operative shall notify OGHL in writing in advance if he is requested to work in any location that is not his Country of Deployment. The Operative will not be required to provide Services in the United Kingdom or in any other state that may from time to time be classified as his place of normal residence and the parties agree that the Services have no connection to the United Kingdom or to any Group Company that is established in the United Kingdom. Accordingly, the Operative shall have no rights or protections under the employment law of England or any other country (other than the British Virgin Islands). The Operative will not be required to provide services in the British Virgin Islands, and the Operative acknowledges that OGHL does not operate or do business in the British Virgin Islands.
- 3.10 Nothing in this Agreement shall be construed as obliging OGHL to offer the Operative work or a particular role.
- 3.11 The Operative confirms that he is not subject to any court order, contract, arrangement or undertaking which may in any way restrict, prevent or prohibit him from entering into, and performing his obligations under, this Agreement.
- 3.12 In providing Services, the Operative is issued with equipment (which, where appropriate to the Services, may include badges from government entities, laptops, hardware, radios, vehicles, telephones, weapons and personal protective equipment (the "Equipment")) that is owned, or leased, by OGHL or the Client. The Operative is required to return (at his own cost and expense) all of the Equipment to OGHL (or, at OGHL's direction, to the Client) at the end of any rotation or prior to the termination of this Agreement, whichever is the sooner, in the same condition, save for reasonable wear and tear, as it was at the time of issue. OGHL reserves the right to charge the Operative at cost for any damage to, or loss of, Equipment and for any costs and expenses relating to the return of the Equipment to OGHL or the Client. Any such charges levied for such damage, loss or return of Equipment may be deducted from any amounts due from OGHL to the Operative.
- 3.13 The Services will be deemed to include not only the Services but also those services that are an inherent, necessary or customary part of the services expressly described.
- #### 4 FEES
- 4.1 OGHL shall pay the Operative the Fees for the Services provided under this Agreement, as indicated in the Statement of Work. The Fees are exclusive of any applicable sales or value added tax which shall be payable in addition to such sums on production of a valid sales or value added tax invoice containing the particulars prescribed by any applicable regulations.
- 4.2 OGHL shall pay the Fees in US dollars on or around the 15th of the calendar month immediately following the calendar month in which the Services were performed. For the avoidance of doubt, if the date of payment falls

9 April 2019

on a weekend or national holiday, OGHL shall pay such Fees as owed on the next working day. OGHL has no liability whatsoever for any bank charges or exchange commissions charged in connection with bank transfers or for any delays in the delivery of payment once the Fees have been correctly remitted from the bank account of OGHL.

- 4.3 The Operative shall have the status of a self-employed person and shall not be entitled to any pension, bonus or other ancillary benefits from OGHL.
- 4.4 OGHL shall be entitled to withhold payment if the Operative has breached any of the provisions of this Agreement. OGHL may deduct from the Fees (or any other sums owed by OGHL to the Operative) any sums that the Operative may owe to OGHL at any time.
- 4.5 The Operative shall only open a bank account in the Country of Deployment with the express prior written permission of OGHL.
- 4.6 The Operative shall only enter into commercial agreements or other arrangements in any other jurisdiction in which OGHL is operating with the express prior written permission of OGHL. If such arrangements exist prior to the date of this agreement, details shall be disclosed in full to OGHL.

5 CHANGES

- 5.1 OGHL may at any time notify the Operative of changes to the Agreement, which may include changes to the location of performance or additions, deletions, rescheduling, acceleration or deceleration to all or any part of the Services ("Change Notification"). If the Operative objects to such change or if the change will cause an increase or decrease in the cost of, or in the time required to supply, any part of the Services, the Operative must notify OGHL in writing ("Objection Notice") of such objections or cost/time implications within 48 hours of receiving the Change Notification, failing which the Operative shall be deemed to have accepted the Change Notification and shall be bound to perform in accordance with the Change Notification. If the parties cannot resolve the issues in the Objection Notice within 7 days of the date of its receipt by OGHL, then the Operative may terminate this Agreement by giving 21 days written notice to OGHL or OGHL may terminate this Agreement in accordance with clause 9.
- 5.2 The Operative shall proceed diligently with performance of the Services and shall comply with any decision of OGHL, pending final resolution of any request for relief, dispute, claim, appeal, or action arising under the Agreement.

6 CONFIDENTIALITY

- 6.1 The Operative agrees that during the Term, and at all times thereafter, the terms of this Agreement and all or any information (on whatsoever media) regarding (without limitation) the operations, Services, products, finance, marketing, administration, maintenance, research and development, future intentions and policy of OGHL or any other information which may be a trade secret or of a confidential nature of which the Operative is or becomes aware during the performance of the Services shall be treated with the strictest confidence and secrecy, and further no such information shall be disclosed to any third party or used for the Operative's own purposes or for any purposes other than those of OGHL, without the written permission of OGHL.
- 6.2 The Operative shall not, either during the Term (except in the proper performance of his duties) and at all times thereafter, disclose to any third party the work activities

he was involved with under this Agreement (including in relation to Client projects, the identity of Clients and/or whether such information is used as work references or otherwise).

- 6.3 The obligation to maintain the confidentiality of information disclosed by OGHL shall not apply to any such information which the Operative can establish to the satisfaction of OGHL:

- 6.3.1 is in or comes into the public domain otherwise than as a result of any unauthorised disclosure or unauthorised use by the Operative;
- 6.3.2 was at the time of its disclosure to, or receipt by, the Operative in the possession of the Operative free of any restriction upon its disclosure or use;
- 6.3.3 was lawfully received from any other person not owing an obligation of confidence to OGHL without any restriction on its disclosure or use or otherwise in breach of this Agreement; or
- 6.3.4 was required to be disclosed by an applicable law or the binding order of a court of competent jurisdiction or a governmental or regulatory body.

- 6.4 The Operative shall not publicise, inform or discuss, directly or indirectly, with any third party information pertaining to the Fees, rates or prices of this Agreement. Furthermore, any disclosure of the Fees, rates or prices are considered a breach of this Agreement and OGHL may, at its discretion, terminate this Agreement without notice or recourse.

- 6.5 The Operative shall comply with such security measures and procedures as OGHL may require to provide for the safe custody of OGHL's information and data in his possession and to prevent unauthorised access thereto or use thereof.

- 6.6 Subject to the rest of this clause 6, the Operative shall not make any public announcements or speak or discuss with any news or press representatives in connection with this Agreement or the Services without the prior written consent of OGHL.

7 PROTECTIVE COVENANTS

- 7.1 In order to protect the confidential information, trade secrets and business connections of OGHL and each Group Company to which the Operative has access as a result of the Appointment, the Operative agrees with OGHL (for itself and as trustee and agent for each Group Company) that he shall not during the Term and for a period of 5 (six) months after Termination, without the prior written agreement of OGHL:

- 7.1.1 solicit or endeavour to entice away from OGHL or any Group Company the business or custom of a Client/ Restricted Customer with a view to providing goods or services to that Client/Restricted Customer in competition with any Restricted Business;
- 7.1.2 at any time after Termination, represent himself as connected with OGHL or any Group Company in any Capacity;
- 7.1.3 be involved in any Capacity with any business concern which is (or intends to be) in competition with any Restricted Business; or
- 7.1.4 be involved with the provision of goods or services to (or otherwise have any business dealings with) any Client/ Restricted Customer in

9 April 2019

the course of any business concern which is in competition with any Restricted Business.

7.2 During the Term and for a period of 12 (twelve) months after Termination of this Agreement, the Operative agrees that he shall not induce or attempt to induce any employee, consultant or contractor of OGHL, the Client or any Group Company (together the "Employee") to terminate his employment; and the Operative further agrees not to hire or cause to be hired any Employee, or induce or attempt to induce any Employee to accept employment with the Operative or with another entity or other person or entity with whom he is affiliated.

7.3 The restrictions imposed on the Operative by clauses 7.1 and 7.2 apply to the Operative acting:

7.3.1 directly or indirectly; and

7.3.2 on his own behalf or on behalf of, or in conjunction with, any other person.

7.4 Each of the restrictions in this clause 7 is intended to be separate and severable. If any of the restrictions shall be held to be void but would be valid if part of their wording were deleted, such restriction shall apply with such deletion as may be necessary to make it valid or effective.

7.5 The parties recognise and agree that the damages that OGHL or a Group Company might suffer as a result of the Operative's breach of the commitments set out in clause 7.2 are difficult, if not impossible, to calculate. Therefore, the parties agree that if the Operative violates the terms of clause 7.2, the Operative shall be liable to OGHL or the relevant Group Company for reasonable damages, and in the case of any Employee earning USD70,000 or more per year, the Operative shall pay to OGHL USD500,000 by way of liquidated damages.

8 INTELLECTUAL PROPERTY RIGHTS

8.1 The Operative hereby assigns to OGHL all existing and future IPR in the Works and the Inventions and all materials embodying such rights to the fullest extent permitted by law. Insofar as they do not so vest automatically by operation of law or under this Agreement, the Operative holds legal title in such rights and Inventions on trust for OGHL, and the Operative shall do all acts necessary to confirm that absolute title in all IPR in the Works and the Inventions has passed, or will pass, to OGHL.

8.2 The Operative waives any moral rights in the Works to which it is now or may at any future time be entitled under any provisions of law in any jurisdiction, including the right to be identified, the right of integrity and the right against false attribution, and agrees not to institute, support, maintain or permit any action or claim to the effect that any treatment, exploitation or use of such Works or other materials, infringes the Operative's moral rights.

9 TERM AND TERMINATION

9.1 This Agreement shall commence on the Start Date and shall continue for the Term unless and until terminated in accordance with its terms.

9.2 The Operative recognises that, given the nature of the services which OGHL provides to its Clients, given that the Clients may terminate the prime contracts with OGHL and given that the situation in the location in which the Operative's Services are to be performed can change rapidly, OGHL needs flexibility in relation to this Agreement. It is therefore agreed that this Agreement may be terminated immediately in writing at any time by

OGHL at its absolute discretion without any notice period or payment in lieu of notice and without compensation or giving any reasons. Where OGHL terminates the Agreement it will, where applicable, continue to be under an obligation to arrange the Operative's return air journey to the place of original departure and to pay any fees which are outstanding and due to the Operative.

9.3 OGHL shall be entitled at any time to conduct background checks on the Operative and if results are unsatisfactory OGHL shall require immediate withdrawal of the Operative or terminate this Agreement with immediate effect.

9.4 This Agreement may be terminated in writing by the Operative at his absolute discretion by giving 30 working days' notice in writing to OGHL. Notwithstanding the foregoing, the Agreement cannot be terminated by the Operative until the end of his first rotation. In accordance with clause 9.8, if the Operative does not perform Services on any one or more day of such 30 day period, a reasonable amount of the Fees will be withheld from the Operative by OGHL for the purposes of covering costs and other expenses.

9.5 If the Operative does not perform any Services for a continuous period of more than 6 months, this Agreement shall be deemed to terminate automatically.

9.6 Upon termination of this Agreement for whatever reason, the Operative shall immediately deliver to OGHL (or, at OGHL's direction, to the Client) all Equipment, books, documents, papers, records (including any contained in any form of computer storage), videos, tapes and any other property, and any other materials belonging to OGHL or the Client which may at that time be in the Operative's possession power or control. Alternatively, the Operative shall (if instructed in writing by OGHL) destroy all such materials or such part of it to which such instruction relates.

9.7 Termination of this Agreement shall not affect any provisions which are intended to operate after termination.

9.8 Where the Operative fails to perform the Services in accordance with the terms of this Agreement, OGHL may withhold any amount that it considers to be a proportionate part of the Fees, without liability to the Operative.

10 LIABILITY AND INSURANCE

10.1 The Operative will benefit from such insurance as may be taken out by OGHL for the benefit of the Operative and any payment made by any insurer shall be in full and final settlement of any claim which the Operative may have against OGHL both in respect of the insured matter and generally. Details of such policies may vary from time to time and a copy of the current policies is available on request from OGHL's Human Resources Department. Any assistance provided by OGHL in pursuing any claim shall entirely be at OGHL's discretion and it shall not be obliged to provide such support.

10.2 The Operative, in his personal capacity, agrees to indemnify, defend and hold OGHL harmless and keep OGHL indemnified from and against all loss, claims, damages, expenses (including all legal expenses) and liability suffered or incurred by OGHL as a result of (i) the Operative being considered an employee of OGHL or a Group Company for any reason; or (ii) any act or omission of the Operative (including negligence, reckless acts, or any breach of this Agreement by the Operative).

9 April 2019

10.3 OGHL's aggregate liability in respect of all causes of action arising out of or in connection with this Agreement (whether for breach of contract, wilful or repudiatory breach in negligence or any other tort, under statute or otherwise at all) in any period of twelve months (commencing on the date of signature of this Agreement or on any anniversary thereof) shall be limited to a sum equal to one hundred per cent. (100%) of the aggregate amount paid by OGHL to the Operative under this Agreement in such twelve month period.

11 MEDICAL

11.1 The Operative confirms that he is in good health and confirms his fitness to work abroad for extended periods of time.

11.2 OGHL shall not accept responsibility for the cost of any medical treatment beyond the scope of the insurance cover provided by the policies put in place by OGHL.

11.3 Whenever required, the Operative shall provide medical reports, at his own cost, to confirm that the Operative is fit to perform the Services under the scope of this Agreement. The Operative also agrees to be subject to general medical or fitness tests or random tests for alcohol or drug abuse.

12 STATUS AND TAXATION

12.1 The relationship of the Operative to OGHL will be that of independent contractor and nothing in this Agreement shall render him an employee, worker, agent or partner of OGHL and the Operative shall not hold himself out as such.

12.2 This Agreement is a contract for the provision of services and not a contract of employment. Accordingly, the Operative shall be fully responsible for reporting all income to the responsible taxation authorities and for ensuring all taxes are duly paid. The Operative shall indemnify OGHL and any Group Company for and in respect of any income tax, national insurance and social security contributions and any other liability, deduction, contribution, assessment or claim arising from or made in connection with the performance of the Services, where such recovery is not prohibited by law. The Operative shall further indemnify OGHL against all reasonable costs, expenses and any penalty, fine or interest incurred or payable by OGHL in connection with or in consequence of any such liability, deduction, contribution, assessment or claim.

12.3 OGHL may at its option satisfy such indemnity (in whole or in part) by way of deduction from payments due to the Operative.

13 GOVERNING LAW AND DISPUTE RESOLUTION

13.1 This Agreement and any dispute arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) is governed by and shall be construed in accordance with the laws of the British Virgin Islands.

13.2 Any dispute or difference arising out of or in connection with this Agreement or its subject matter or formation (including non-contractual disputes or claims) shall be brought and finally settled under the Rules of Arbitration of the International Chamber of Commerce in force from time to time. It is agreed that:

13.2.1 the tribunal will consist of one arbitrator to be appointed in accordance with the Rules of Arbitration of the International Chamber of Commerce;

13.2.2 the place of the arbitration will be the British Virgin Islands;

13.2.3 the language of the arbitration will be English; and

13.2.4 the arbitration proceedings, the final award and all documents submitted by the parties in the course of or in connection with the arbitration are and will remain private and confidential to the parties and to their legal and professional advisors save to the extent required by law or to give effect to the terms of the award.

14 COMPLIANCE WITH LAW

14.1 Each party shall, in the performance of this Agreement, comply with all applicable laws, rules, regulations and lawful directives in force and shall at all times act in a lawful manner in relation to this Agreement and the performance of it. Each party represents and warrants that it is familiar, and shall comply with, all relevant domestic and foreign anti-bribery or anti-corruption laws. The parties shall also take all reasonable precautions to prevent conduct that would violate this clause.

14.2 Each party may, from time to time, for its own compliance purposes request, and the other party shall provide, in a timely manner, written confirmation of its on-going compliance with the provisions of the representations and warranties set out in this clause.

14.3 Notwithstanding any other provision of this Agreement, the Operative shall indemnify, defend and hold harmless Olive and its affiliates from and against any claim, loss, damage, penalty, liability, expense, attorney's fees and costs of whatever nature arising out of, or related to, or connected with the Operative's breach of the representations and warranties set out in this clause to the fullest extent permitted by law.

14.4 In the event that any amount of cash or other items of value are provided to the Operative and such amounts or items are not accounted for or used in accordance with OGHL policies, such amounts or the value of such items will be deducted from the Fees (or any other sums owed by OGHL to the Operative).

15 MISCELLANEOUS

15.1 Except as otherwise permitted under this Agreement, any amendments to this Agreement must be in writing and signed by both parties.

15.2 Any notice to be given by one party to the other (the "Recipient") may be served by leaving it at, by sending it to the Recipient's email address for the time being, by sending it by first class, recorded post to, the Recipient's office address for the time being or by sending it by fax (followed by an email or first class mail) to the primary fax number at the Recipient's office.
