

BIFTU MOSISA

MECHANICAL ENGINEER

👤 Profile

With my seamless expertise as a sales engineer, product specialist, after-sales consultant, and warranty specialist, I am the pinnacle of Automotive and Machinery competence. Possessing an unmatched mastery over Mercedes-Benz, Renault, and Caterpillar machinery, I create custom solutions that surpass industry norms. As a seasoned trade consultant, I skillfully negotiate international marketplaces and create revolutionary alliances that redefine success. My unwavering drive to providing warranty services and my commitment to quality work distinguish me as the driving force behind companies that are positioned for unmatched success.
