With more than twenty years of experience in finance, I have a track record of successfully managing teams and navigating complex projects within the energy sector in Africa. As an expert in management control and internal audit, my rigor, leadership, and proactive approach to anticipating challenges have been widely recognized. Driven by a passion for operational excellence, I am in search of a new professional opportunity where I can leverage my skills effectively and contribute to the strategic growth of a dynamic organization.

Work experience

General Secretary - TotalEnergies-Marketing Ethiopia SC.

📍 Addis Ababa

📅 Since Sept. 2022

Mission: Supervise the accounting and finance departments. Play a key role with local institutions and banks.

- Manage a multi-disciplinary team of 27 people, covering the areas of legal affairs, treasury, accounting, management control, IT, purchasing and credit control.
- Manage relations with financial institutions (financing, forex) and the Ethiopian government on financing, foreign exchange and regulatory issues.
- Oversee the pricing structure and procurement processes to ensure compliance and operational efficiency.
- Anticipating and resolving operational challenges, ensuring effective coordination between the various departments to achieve the company's strategic objectives.

Financial Director & Compliance Officer - TotalEnergies-Marketing Mozambique SA.

📍 Maputo

📅 09/ 2017- 08/2022

Mission: Manage the accounting, finance and IT departments - Act as interim CEO

- Supervising a team of 28 staff, including 7 department heads, in areas such as treasury, management control, credit control and IT.
- Chairing the financial committee of petroleum product distributors, ensuring compliance with financial regulations and effective cash flow management.
- Acting as interim CEO in the absence of the CEO and playing an active role in the subsidiary's decision-making and strategic processes to ensure the sustainability of operations

Group Senior Corporate Auditor – TotalEnergies Corporate

📍 Paris La Défense

📅 09/2014 - 09/2017

Mission: Carry out audits to assess governance and risk management systems, analyse processes, identify risks and room for improvement, and make recommendations.

- Carrying out 22 audit and internal control assignments in various operational areas: marketing and services, exploration/production and petrochemical refining.
- Providing strategic advice and recommendations for improvement based on rigorous analysis and risk assessments, helping to strengthen internal processes and systems.
- Coordinate audit activities in an international environment, working closely with local teams to ensure compliance with standards and best practice;

Chief Financial Officer & Compliance Officer - TotalEnergies Marketing in the Democratic Republic of Congo (DRC)

📍 Kinshasa

📅 2010 - 08/2014

Mission: Supervise the accounting and management teams & contribute to the Total/Fina merger.

- Manage a team of 30 staff, including 6 department heads, in crucial areas such as treasury, accounting and management control, ensuring optimum financial management of operations.
- Playing a key role in the merger between TotalEnergies and Fina in the DRC, contributing to the creation of a single TOTAL marketing entity and the smooth integration of processes and systems.
- Chairing the Aviation Committee, promoting collaboration between the main players in the distribution of petroleum products in the DRC.
