2. Professional Statement

Ojiambo Owen has pursued a bachelor's degree in Procurement and Logistics Management (BPLM) from Kyambogo University awaiting graduation in December/2024. I am a flexible, passionate, people centered, hardworking person with excellent communication skills. My passion lies in making a life changing legacy/ affirmative impression for the organization. The basis of my competence lies in meeting deadlines and working under pressure as I believe it is the tool to perfection. I am not only a flexible team player but also reliable and ambitious with leadership skills developed from positions of responsibility I have ever held. I am innovative, self-motivated and always willing to learn new things.
