PROFILE

After managing business units in the **automotive industry** for 18 years, I decided to follow an Executive **MBA** at EDHEC Business School, known for its exclusive **leadership** program and of course, its **worldwide ranking**. My MBA is triple accredited by AMBA, AACSB and EQUIS.

My areas of focus are operations management, strategy, and business development. My key skills are **agility** and **adaptability**.

Currently based in Paris, I am fully open to **geographical mobility**. I would be happy to help your company achieve greater success! [References on request](#)
