OBJECTIVE

I have a Bachelors degree in Mechanical Engineering (Industrial Plant and Energy option). I am looking for internship in Mechanical Engineering.

PERSONAL STATEMENT

I recently completed a Bachelor of Engineering at the Technical University of Kenya. I am working towards a career in Mechanical Engineering. I am looking for an internship to grow my skills and experience. I am diligent in my work, quick to learn and can work well in a team.

TECHNICAL SKILLS

- Mechanical Engineering
- Plant Equipment Maintenance
- Computer-Aided Design
- Mechatronics Systems
- Electrical Circuits
- Hydraulics and Pneumatics
- Computer skills

PERSONAL SKILLS

Eager to learn

- Currently pursuing Energy Management Fundamentals course by Schneider Electric
- Pursued Technicians for Africa Certification Program by Caterpillar in 2021
- Pursued Motor Vehicle Wiring Grade III Trade Test by NITA in 2015
- Studied Electricity, a technical subject, in High School from 2012 to 2015

Problem Solving

- Designed a robot to lift engines in automotive workshops and built a prototype as part of my coursework for Mechanical Engineering in 2022
- Designed a solar-powered egg incubator for the Alliance High School Science and Engineering Fair and won the Agricultural category in 2015
- Participated in a Biowall Research competition by Drexel University in 2013

Team Work

- Was a member of the Robotics Club of the Technical University of Kenya
 - Was a member of the Science and Engineering Club of Alliance High School
 - Currently a member of Abdul Sidi Rally Academy and Raia Rally Training
-

EXPERIENCE

Rock-Plant Kenya Ltd

Mombasa Road, Nairobi
September 2022 – November 2022

Workshop Trainee

- . Preventive and corrective maintenance of Hitachi excavators and wheel loaders; Bobcat skid-steer loaders; and Grove cranes
- . Repair of workshop equipment: grinders, drills and line-boring machines

Tea Machinery Engineering Company Ltd Mechanical Engineering Attachment

Kampala Road, Nairobi
February 2022 – April 2022

- . Lathe Machine Operation
- . Universal Milling Operation
- . Shaper Machine Operation
- . Shearing Machine Operation
- . Rolling Machine Operation
- . Flange rolling Machine Operation
- . Arc and MIG Welding
- . Conveyor Belt Vulcanizing processes
- . Dynamic balancing machine operation
- . Electrical and Mechanical Plant Maintenance
- . Inventor 3D Design and AutoCAD 2D Drafting

Technical University of Kenya

Nairobi
January 2021 – April 2021

Mechanical Engineering Attachment

- . Computer -Aided Design using SolidWorks
- . CNC Lathe Machine operation
- . CNC Milling Machine Operation
- . Preventive Maintenance of lathe machines, milling machines and compressors
- . Programming Programmable Logic Controllers
- . Hydraulics and Pneumatic Systems operation and maintenance

Technical University of Kenya

Nairobi
May 2019 – July 2019

Mechanical Engineering Attachment

- . Lathe Machine Operation
- . Milling Machine Operation
- . Bench-Work Operations
- . Arc Welding
- . Automotive maintenance
- . Electrical Wiring
- . Plumbing and Masonry
- . Computer -Aided Drafting using AutoCad

Ndindika

Laikipia
January 2016 – August 2016

Volunteer Farm Mechanic Assistant

- . Operation of tractors and tractor implements
 - . Preventive and corrective maintenance of tractor engines, hydraulic systems, transmission systems and tractor implements
-

EDUCATION

Technical University of Kenya
Nairobi
September 2016 – December 2022

Bachelor of Engineering Mechanical Engineering
. Grade: Second Class Honours – Upper Division

Alliance High School
Kikuyu
January 2012 – December 2015

Kenya Certificate of Secondary Education
. Mean Grade: A

CERTIFICATION

Caterpillar Global Dealer Learning
June 2020 – May 2021

Technicians for Africa online training

- . Introduction to Caterpillar, Caterpillar Product Line and Caterpillar Dealer Organization
- . Safety, Hand and Power Tools and Lifting Devices, Contamination and Parts Handling
- . Assembly of bearings, seals, fasteners, couplings and wiring harnesses
- . Electrical circuits and hydraulic systems
- . Engine fundamentals and powertrains

National Industrial Training Authority
December 2015

Motor Vehicle Wiring Trade Test Grade III

- . Electric circuit fundamentals
 - . Battery Charging circuit
 - . Engine Starting circuit
 - . Engine Ignition circuit
 - . Vehicle Lighting circuit
 - . Vehicle Accessories circuit
-

INTERESTS

Motorsport especially rallying and off-roading

REFEREES
