Re: APPLICATION FOR JOB

Dear sir,Madam

I'm writing this letter to officially apply for any kind of Job in your station, I believe that I have the skills needed to fill this job and to be a great asset to the personnel of your station.

I am holder of a Diploma in History Economics and Geography which was attained from Ecole Secondary de Rangiro of Nyamasheke District.I am creative, energetic and I can use my experience to attract more customers and then I can help your Rubis station to achieve its goal.and then I have skills about Computer Microsoft such as Excell,Word,and power point.

I have pleasure in closing my curriculum vitae and look forward to your feedback.

Thank you for considering my application.

Sincerely

Sister NSANZUMUTWARE
