RE: INDUSTRIAL ATTACHMENT REPORT FOR MR. DOMINIC KIBET.

This is with reference to the above mentioned subject. I confirm that the above mentioned student, who is currently undertaking a Diploma in Petroleum Geoscience at Baringo Technical College was attached to Ministry Of Petroleum and Mining State Department for Mining Nakuru regional office as from 1st September, 2019 to 31st October, 2019. Throughout this period he covered the following:

- Geological survey, structural mapping and report writing.
- Quantitative and qualitative analysis of rocks
- Licensing of exploration and mining licenses and permits
- Management of the mining cadaster system and Arbitration of mining disputes.
- Provision of mining techniques, monitoring of mine safety health and environment
- Certification of commercial explosives, licensing, transportation and storage.
- Monitoring of operations to ensure public safety from negative impact of blasting(including fireworks)

In view of the above Mr. Kibet is industrious, cooperative, good at report writing and ready to learn. With this knowledge, he will be productive within the Geological setup. It is my opinion that he would become a very reliable and competent Geoscientist in future.
